**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I broke up with ATT over their spying and incompetence 5 years ago, and switched to a local company, Sonic, as my wired landline and internet provider. When I call Sonic with a problem (which happened once) I am able to talk to a human in my own state, country, and language. ATT has spent itself into bankruptcy buying useless dinosaurs like CNN and HBO. Now it wants us to pay for its mistakes. No thank you.
